

PRACTICAL NURSING (PN) PROGRAM INFORMATION

(Version 23.1)

PROGRAM DESCRIPTION

Alpena Community College (ACC) offers two program options in nursing: Practical Nursing Certificate Program (PN) and the Associate Degree Nursing Program (ADN); both are approved by the Michigan Board of Nursing. The Practical Nurse Certificate and Associate Degree nursing programs at Alpena Community College at the Alpena and Oscoda campus located in Alpena and Oscoda, Michigan respectively are accredited by the: Accreditation Commission for Education in Nursing (ACEN), 3390 Peachtree Road NE, Suite 1400 Atlanta, GA 30326, (404) 975-5000. The most recent accreditation decision made by the ACEN Board of Commissioners for the Practical Nurse Certificate and Associate Degree nursing programs is continuing accreditation with conditions. During the Pre-Nursing curriculum the student will complete 19.5 credits of course work including Microbiology (BIO 140 + lab), Human Anatomy (BIO 201 + lab), Human Physiology (BIO 203 + lab), General Chemistry (CEM 111 + lab), English Composition I (ENG 111) and Dosage Calculations (NUR 133). The PN Program is full-time and includes two semesters with 24 students admitted each fall and spring semester to the Alpena campus and 8 students admitted each fall and spring semester at the Oscoda campus. The ADN program is full-time and includes the PN curriculum and PN Pre-Nursing curriculum, plus two additional semesters of nursing courses. Twenty-four students are admitted to the ADN program each fall and spring semester to the Alpena campus and 10 students to the Oscoda campus. In addition to lecture and laboratory, clinical practice is required. Students must meet requirements as designated by the department, College, and clinical facilities. Applicants should be aware that the Michigan Board of Nursing may deny a license to any applicant who has been convicted for a felony or certain misdemeanor charges or is addicted to drugs or alcohol. ACC is not responsible if an applicant is denied licensure after completion of the nursing program. If the felony is such that the student would not be able to attend clinical rotations at any of our sites, admission to the program would be denied. Students entering either program must be 18 years of age prior to the start of their first clinical rotation and have a high school diploma, or General Education Degree (GED), or be enrolled in an Early College Program. The nursing curriculum is designed to promote career mobility and to offer qualified students alternative educational tracks according to their career goals. Two entry and two exit points are available to nursing students. Graduates are prepared to write the National Council Licensure Examination (NCLEX) and to assume nursing staff positions in health care delivery systems. Graduates can also articulate into a Bachelor of Science in Nursing (BSN) completion program at a four-year institution in Michigan or other states. Affiliations have been established with UM-Flint, Chamberlain University, Eastern Michigan University, Davenport University and Oakland University. In addition to nursing courses, the corequisite courses English 112 (ENG 112) and Political Science (PLS 221) are part of the ADN Nursing Program curriculum and must be successfully completed by ADN students. State and Local Government (PLS 222) will also be accepted.

APPLICATION PROCESS

Apply to Alpena Community College

An admission application must be completed for all new students and also for any returning student who has not been actively enrolled at ACC for the past two years. To apply follow the Easy Steps to Getting Started at ACC guidelines found on the ACC website, http://discover.alpenacc.edu/admissions/apply_for_admission/index.php.

Advising and Assessment

Contact the Nursing Program Secretary at 989-358-7217 or nursing@alpenacc.edu to schedule an advising appointment if you have not met with a nursing advisor as a pre-nursing student.

Grade Point Average (GPA)

- Attain a “C” or better grade with a minimum average GPA of 3.0, “B”, in all pre-nursing courses. The highest grade received in the course is used in calculating the student’s GPA. Science courses that are older than seven years from the date the student formally begins the nursing program will be evaluated on an individual basis for acceptance.

Apply to Nursing Program

- Complete current PN Nursing Program Application. You may submit your application once your prerequisite courses have been completed or while enrolled in your last semester of prerequisite courses. The open application period is February 1 – April 10 and September 1 – November 10. Late applications are accepted.
- Obtain healthcare work experience documentation on agency letterhead if you have had any healthcare work experience within the last five years.
- Obtain a criminal background check from the Michigan State Police (ICHAT).
- Obtain Central Registry Clearance from the State of Michigan Department of Human Services.
- Take the ATI Test of Essential Academic Skills (TEAS).
- Obtain a copy of any previously earned degree that was not issued by ACC.

SELECTION PROCESS

Alpena Community College admits students anonymously to the PN Nursing Program following a selective admission process using the Admission Process Qualified Student Selection Form - PN (Table A) resulting in no waitlist. Students denied admission must reapply. Please be aware that meeting minimum requirements does not guarantee an opening in either nursing program. The criteria for PN admission is based on: grades (GPA of prerequisite courses and corresponding lab courses), ATI TEAS composite score, credits earned at ACC, previously earned degrees, healthcare work experience documented within the last five years, and number of semesters a student applied for admittance into the ACC PN Nursing Program. In the event that more than one student with the same score is eligible competitively to be admitted to either nursing program, admission will be based on GPA, work experience, and application date at the point when all prerequisite courses were met.

Selection of campus placement will be based on preference in the order that applications were received or completed. In an effort to fill all seats, geographical location and student reattempts will be factors used to determine campus placement.

Applications will be reviewed within one week following the end of each semester. All applicants will receive email notification regarding their application status from the Nursing Department within two weeks following the end of each semester.

ACCEPTED STUDENTS

After acceptance into the nursing program, students will be registered for nursing courses by the Director of Nursing after compliance has been met. Accepted students will receive required forms via email. Contractual agreements between ACC’s Nursing Program and clinical agencies require that the items listed below must remain current throughout the program. If any requirement expires during the program the student will not be allowed to attend clinical and that could result in a failing grade.

- Required Abilities and Health Care Provider Recommendation of Nursing Student form completed by the student and signed by a health care provider.
- Documented seasonal influenza for current season.

- Documentation of receiving immunization, or lab results for proof of immunity, for the following: Tetanus/Diphtheria/Pertussis (within the past 10 years), Varicella, Hepatitis B (3-dose series or 2-dose series), Measles, Mumps, and Rubella (2 doses).
- Documentation of annual Tuberculosis Skin Test. Results must remain current (within 365 days) during the program.
- Drug Screen testing results obtained at Rapid Results in Alpena 3-30 days prior to the first day of the program. Results must remain current (within 365 days) during the program.
- Current CPR certification from the American Heart Association (Basic Life Support [BLS]) or American Red Cross (Adult, Child and Baby First Aid /CPR/AED). Certification needs to be demonstrated; online only certification will not be accepted. No other cards will be accepted without Director of Nursing approval.
- Students must comply with COVID monitoring and/or testing in compliance with clinical environments.
- COVID-19 vaccination or exemption must be provided prior to the start of clinicals.

Purchasing the ATI program and ACEMAPP are required for theory and clinical courses. Alpena Community College uses ACEMAPP, a secure, online clinical education platform. Students will complete a profile and a number of forms and requirements which are necessary for clinical experiences. Students are also required to purchase supplies such as a uniform (PN: maroon scrub top and bottom, ADN: white scrub top and maroon bottom), white shoes, watch with a second hand, and a stethoscope.
