Anything else that you would like to disclose that is interesting about your company?

We have a really cool story behind our restaurant. When Nicole was a young kid, her and her brother made us this race car restaurant idea. When her brother passed away in 2019, she began to want to make that idea a real thing. So, Calvin and Nicole worked hard to remodel this party store and turn it into just that. Her brother (Danny) was a kid at heart that LOVED Hot Wheels. Every kid's meal comes with a Hot Wheels car in his honor. She remembers him always saying that how all kids' meals should be, and she did just that. We also use Nicole's grandfathers bread recipes for the homemade grinder bread and pizza dough!
