

The Splinter

Information for ACC Students –11/21/24

Welcome to Fall 2024 Semester, Lumberjacks

Look for a new Splinter every week of the semester - it contains information about all things ACC: processes, deadlines, department information, club activities, policies, and other items that are of interest to students. A link is posted on our website www.alpenacc.edu in the Calendar & Events section and sent to all ACC email addresses. Please take a few minutes during the week to review it.

MAKE YOUR VOICE HEARD – The Healthy Minds Study is a national survey that helps colleges like ACC understand and support student mental health needs. Please check your ACC student email for the invitation and take a few minutes to complete the survey—your voice matters, and you'll earn \$10 for participating! Surveys can be completed between November 11 and December 9.

Final Instructional Week for Fall 2024 begins Monday, December 9. Exam schedules are available in the Registrar's Office and the Student Services Center in Van Lare Hall. The schedule is also available on ACC's website by clicking on the tab for Calendar & Events.

Fall Graduation Applications were due to the Registrar's Office on **Friday, October 4**. Graduation applications are available in the Registrar's Office or on Self-Service.

The FAFSA for the 2025-2026 school year will be available tentatively December 1, 2024.

Counseling - All current ACC students (including part-time, dual-enrolled, and Early College students) have access to free mental health counseling. No health insurance information is needed. We will work with you to find an appointment time during the week that fits with your schedule. Appointments can be held in-person on Alpena's campus or virtually via phone or videoconference. For more information, please call 989-358-7245 or email counselinginfo@alpenacc.edu.

The Student Food Pantry - The ACC Student Food Pantry was created because we know that when students are worried about where their next meal is coming from, they can't focus on their studies. There are no rules or limitations for this pantry, so take what you need, but make sure there is enough for fellow students. The Food Pantry is located in BTC 120 and a Food Pantry Annex with grab-and-go snacks is located just down the hall from the Student Success Center in Van Lare Hall. For more information or to donate, email Monika Ehrlich (ehrichm@alpenacc.edu) or call (989) 358-7408.

Sigma Zeta Math/Science Honor Society is now offering non-math/science majors with an interest in the organization the opportunity to become associate members. To become an associate member of Sigma Zeta, a student needs to maintain an overall grade point average above 3.00 and a minimum of a 3.00 grade point average in all Math and/or Science classes completed. Math/Science majors who are short credits but otherwise qualify can be associated members until they meet the full requirements. You will need to have completed 15 credit hours of Math and/or Science and pay the local membership fee of \$10.00. Associate members will receive a t-shirt, a local certificate, and will be able to participate in all chapter activities. If you have any questions regarding this society, please contact Dan Rothe – BTC 121A - (989) 358-7305 - rothed@alpenacc.edu.
