North Shores Center is looking for nurses with good leadership skills with experience. Mental health experience is a plus as well as SOME EXPERIENCE IN BRIEF PSYCHOTHERAPY. Basic knowledge of psychopharmacology is also beneficial but additional skills can be taught.

Mission Statement: To provide psychiatric care with competence and compassion at the time of crisis.

Our facility offers treatment and twenty-four-hour support for adults who are having a serious psychiatric crisis but do not require hospitalization. We provide client-driven, recovery-oriented treatment in a comfortable home environment. We work with clients to develop and achieve individualized goals in order to resolve the crisis and to get them back into the community as soon as possible in hopes to prevent or reduce psychiatric hospitalization

Our team members are trained, skilled partners ready to help with client recovery. We assist clients in the development of the goals that will meet their needs.
