Board Member and Subcommittee Reports

Trustee Duncan’s report included the following information:
ACC Foundation Report to Trustees

The Foundation’s unrestricted fund has grown by 341% since FY2020, while providing $65,778 in support to the college during that timeframe. This is primarily due to focusing our fundraising efforts around raising unrestricted funds and educating our donors how the flexibility of their gift can impact the college.

*Note: $1,450,000 contribution and program support for Lecture Hall*

Taking into consideration the $1.45M gift in 2023 for the Fitzpatrick Lecture Hall and removing that from the equation, the foundation still increased it’s contributions from $443,878 to $1,521,115 (with 2 mos. remaining in the fiscal year) for an increase of $1,077,237 or 242% in 4 years.

Overall, from 1988 to 2022, the Foundation has provided support to the college in the form of scholarships and other program support in the gross amount of $14,270,825.00. This averages out to be $419,730 per year.

Chairman Briggs and Trustee Hilberg then gave a report on the president’s evaluation. President MacMaster submitted self-evaluation documents which detailed his work on duties outlined in the president’s position description and on his proposed goals for 2022-23 and 2023-24.

Trustee Hilberg gave the following summary of the president’s strengths:
• Growing enrollment, with staff-wide effort, becoming the highest among Michigan community colleges at over 12% during the Spring semester.
• Developing and maintaining relationships with legislators at both the national and state levels and securing allocations and appropriations.
• Bringing a BSN to campus and being a leader in its development.

Chairman Briggs added the following information on the president’s compensation:

• For Fiscal Year 2023 President MacMaster is at Step F7 in the administrative pay scale. Giving him the same raise as the rest of the administrators would move him to Step F8 for FY24. President MacMaster expressed an interest in being treated consistently with all of the employees and receive a one-step increase. Briggs and the trustees agreed that MacMaster be moved to Step F8. The trustees also agreed to increase the president’s stipend intended for office expenses from $8,000 per year to $10,000 per year.

• MacMaster’s total compensation for Fiscal Year 2024 would be as follows:

Chairman Briggs noted that FY24 will be the third year of MacMaster’s current three-year contract.

Trustee Stibitz noted that she and President MacMaster had travelled to Bay College to attend an MCCA directors meeting and to attend a farewell party for Bay’s departing president. Stibitz also reminded the trustees about the MCCA summer conference to be held in Traverse City in July.

Faculty Report

Instructor Todd Artley presented the faculty report. He mentioned the non-credit Commercial Drivers License program is preparing to offer a refresher course next week for two students. That course will cost $2,500. A full-blown CDL course will cost $4,500. Dawn Stone and Amanda Sumerix are working on marketing for the CDL course, including having a truck in the Alpena July 4 parade. Artley also mentioned the faculty’s high regard for President MacMaster and that President MacMaster’s leadership shines through.

Financial Report

Notable points from Vice President for Administration and Finance Richard Sutherland’s financial report include:

• The property tax receipts of $2,971,808 are $135,643 more than those for May 2022, as expected.
• Tuition/fee receipts of $6,040,749 are $362,282 more than last year at this time because of higher-than-expected enrollments.
• State aid for the current year is $4,751,807 because of the normal start month of October, regular appropriations are $85,518 less than last year. Additionally, $214,556, $133,192 in May, was received for personal property tax, approximately $7,400 less than last year. The College also received a one-time payment of $225,700 last year. These differences total to around a negative $196,400 offset by the expected increase on the regular state appropriations.
• There are no HEERF funds available this year.
• Instruction is lower due to a couple of faculty retirements and timing of a large Consumers Energy training invoice.
• OIT’s increase is due to planned wage increases and timing of SAS transition costs.
• Instruction support is elevated because of the addition of two nursing administrative positions, vacation payout, and scheduled payroll increases.
• Institutional Administration is higher than expected increased due to legal proceedings.
• Net income through the first ten months of this fiscal year shows as a gain of $485,614.
