**3. Students who have attended another college must have their transcripts sent to ACC as soon as possible for evaluation.** ACC will evaluate transcripts to determine which transfer credits will apply to the student's degree program at ACC. Transfer credits will be included in the student's Program Evaluation, which will also identify the remaining courses and credits required for the student's degree program at ACC. *The College is required to notify the VA of the transfer credit granted as this affects the training time needed to complete a degree objective.* Submission of transcripts is not required of guest students. List each College or University attended below.

College/University	Address	Mo./Yr Start	Mo./Yr End	Credits Earned	Degree Earned

**4. Students receiving VA education benefits must notify the ACC Coordinator of Veterans Affairs immediately upon withdrawing from a class or discontinuing attendance in a class.** *The College is required to notify the VA of the student's last date of attendance in classes.*

**5. Students receiving benefits must maintain minimum academic standards as defined in the Veterans Standards of Progress in the College catalog.**
