(Version 22.1)

PROGRAM DESCRIPTION

Alpena Community College is offering a non-credit Nurse Assistant Training Course on the Oscoda Campus starting in the Fall of 2022. During the Nurse Assistant Course there will be 32 hours of didactic instruction, 32 hours of hands-on lab instruction/simulation, and 32 hours of clinical instruction in a long-term care facility.

The program will have day/afternoon options depending on the 3-week section that you choose. Clinicals will be limited to 8 students per group.

The inclusive cost of the course is \$1500. This will include 1 set of maroon scrubs in the student's size, a stethoscope, a blood pressure cuff, a gait belt, course textbook, and course skills software.

Students completing all sections of the course will be eligible to take the state certification examination.

Once the NA training is complete, the program will issue a certificate of completion of the required training. This proof of completion will allow the recipient to take the state certification exam.

Students entering the course must be 18 years of age prior to the start of their clinical rotation.

ACC is not responsible if an applicant is unable to pass the state examination or is denied credentialing by the state of Michigan after completion of the Nurse Assistant Course.
