## **Holiday Season All Year Long!** **(Frankenmuth's River Place Shops)**

Visiting Frankenmuth Michigan is almost "fairytale-ish" in it's opportunities. It's Christmas focus, Bavarian history, specialty events and unique places to stay or eat all contribute to make calling Frankenmuth special almost an understatement!

ACC TALKS is extremely proud and honored to have leaders from Frankenmuth's River Place Shops join us to share their successes, plans and concepts for excelling in the hospitality, retail, and dining sectors. **Plus, the Youth Entrepreneurship Expo!**

Please bring your thoughts...  
questions and join the discussion! Everyone is  
welcome to attend.
