COMMUNITY COLLEGE OSCODA CAMPUS

ART GLASS MINI-SERIES - Fall 2026

Register for Three Classes for ONE Price
Learn How to Work with Glass in Three Different Ways!

First choice: Wednesday - Sept. 9, 16, 23, 2026

Second choice: Wednesday Sept. 30, Oct. 7, 14, 2026

6 pm to 8 pm (classes may run longer to 9 pm)

NO Experience Necessary! All tools, materials and equipment provided.

Intro to Stained Glass- Copper Foil

In this class, you will learn the basics of scoring, cutting and copper foiling-stained glass to make a stunning stained glass sun-catcher. Choose one of a few designs to hang in your window or give away as a gift! All tools, materials and equipment provided.

Basic Leaded Stained Glass

This session begins with discussing the types of glass and then how to use different tools to work with lead channel to build a simple stained-glass panel that you can hang in your window or display on an easel! This will be a beautiful piece! Choose from one simple design that you can change!

Mosaics Express!

Enjoy another fun session learning how to create a unique work of art using glass, pottery and tile to make a unique coaster. It's easy and you will be proud of your results. This class will give you basic knowledge of cutting, adhering tiles and glass to your small decorative piece of art to take home or give as a gift!

*Safety glasses or your own eyeglasses should be worn during class. Safety glasses are available.
Closed toed shoes are recommended.*

**All three courses only \$100*
(Sessions are capped at 8 students)*
