Medical Ethics Matter

The Medical Ethics Matter short course is all about the ethical morals and value that guide health care professionals in their interactions with patients and decisions they make regarding patient care. What were considered good ethics years ago may not be considered appropriate today.

Four (4) two (2) hour sessions are scheduled for September 20/27 & October 4/11(All Wednesdays) From 5-7 PM.

ACC OSCODA CAMPUS
5800 Skeel Ave.
Oscoda, MI
Room 213

Class Topics:

- Access to Wellness (care disparity among populations and geographic contexts)
- Opioid Epidemic Management
- Implicit Bias and Cultural Diversity in Healthcare
- Foundations of Medical Ethics (beneficence, non-maleficence, autonomy, and justice)

Cost: $200.00 per student
Hours of Instruction: Eight (8)
