

ACC Oscoda 2025 PRIORITIES

Setting simple “everyday” customer service priorities for any organization can sometimes be elusive. Here are the TOP 3 for ACC’s Oscoda Campus for 2025:

1. Get the VALUE of continuous learning messages regularly out to all community businesses and residents.
2. Connect the “VALUE” of classroom learning with jobs in our own backyard.
3. Promote the “VALUE” of partnering with other businesses and organizations to make each better at what they do for the region.

Just Jobs

Business of the Month

Monument Financial
SERVICES
