LIFE AFTER HS GRADUATION

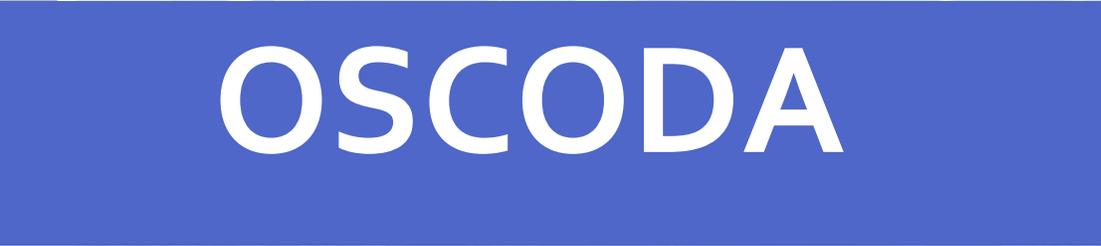

The latest series covers Telemedicine with ACC's very own Doug Mayo.

Did you know? Telehealth is one of the fastest -growing healthcare services. Scan the code to check it out!

Nursing Applications are available and due **April 10th**. Available in the front lobby or in the main office, Room 211. TEAS Study Guides are available in the student success center, Room 307.

OSCODA

In your own backyard

Spring Forward – Feeling Fresh

Refresh Your Routine

Open the windows, adjust your sleep schedule after the time change, take advantage of that sunlight.

Reset Your Mindset

Set one new goal for the remainder of the semester, declutter your workspace, practice a quick daily gratitude check.

Recharge Your Body

Stay hydrated – It's easy to forget in cooler weather. Choose energizing snacks like fruit, nuts or yogurt. Stretch between classes or meetings to boost circulation.

Refresh Your Academic Focus

Review your syllabi and note upcoming deadlines. Visit tutoring and student success center if you are in need. Form a study group to stay motivated.

STUDENT SUCCESS

We are proud to recognize four dedicated students who successfully completed their Certified Nursing Assistant (CNA) training. They are now eligible to sit for the state certification exams – an exciting step toward careers in healthcare and service to our community.

Congratulations to these future caregivers for their hard work and commitment!
