INFORMATION TECHNOLOGY SECURITY is one of the fastest-growing and highest-demand industry sectors in the U.S. Alpena Community College has partnered with CED Solutions to provide the baseline skills necessary to perform core security functions and pursue a career in IT security.

Remote, live instructor-led training will be held September 12-16. Participate from your home, office, or anywhere with a reliable internet connection. After satisfactory completion of the course, you will be able to sit for the Comp TIA Security+ Certification Exam. Michigan Works! Northeast Consortium and ACC, with funding provided by the MiLEAP grant, may provide up to $1000 toward tuition. The cost of the CompTIA Security+ exam is included, and exam pass is guaranteed.

Contact Christy Wiltse at 989.306.7790 or wiltsec@nemcworks.org to register.

UTILITY ARBORIST SAFETY TRAINING CAMP is September 12-15 from 8:00am-5:00pm. The cost is $15/day (or $50 for the full camp), with lunch included. Topics include aerial rescue, EHAP, chainsaw safety and pesticide application. Register with Lisa Blumenthal at 989.358.7296 or blumentl@alpenacc.edu. Open to the public.

OSHA 10 CONSTRUCTION will be offered September 19 & 20 from 8:00am-2:00pm. Thanks to grant funding, the cost to participants is just $8 for the OSHA 10 card. Your instructor is Bryan Renaud, MIOSHA Senior Construction Safety & Health Consultant. Contact Lisa Blumenthal at 989.358.7296 or blumentl@alpenacc.edu to reserve your spot.
UTILITY ARBORIST PROGRAM

Utility Arborist Line Clearance workers are critical to the infrastructure of our electrical industry. They provide a vital service to ensure a reliable and safe power grid. ACC is committed to verifying all trainees meet the ANSI Z133 consensus standard. This program is designed to prepare students for working with trees and vegetation around energized electrical lines. Training includes climbing techniques, tree felling, gear & knots. Proper positioning, fall protection techniques & trauma training will also be taught.

- Earn your OSHA 10 & AHA First Aid/CPR certification
- Prepare for Pesticide Application Spray Test & Commercial Driver License
- EHAP & aerial rescue training
- Climbing skills focused on daily
- 16-weeks, 250-hours
- $3600 with funding assistance available
- Job opportunities upon completion; starting pay $28-30/hr.

Our Instructors, carefully selected by leaders in the industry, follow OSHA Special Industry standard 1910.269 as it relates to training and employment preparation. Students will be trained and certified to comply with safety-related work practices and procedures (including emergency procedures).

Walt Wiltse, Director of Utility Line Clearance wiltsew@alpenacc.edu 989.358.7284

Congratulations to the graduates of our first program!

Lunch & Learn at ACC

This fall, join Dawn Stone, ACC’s Dean of Workforce Development, for “Grant Writing 101,” a special Lunch and Learn series. The 3-day workshop will help you to develop the skills to execute successful grant applications for any organization. This series will provide comprehensive information about the granting process and address critical aspects of writing a fundable proposal. Learn to demonstrate strength and viability of your organization and how to give a compelling description of the situation your project will address. Understand essential components of grant proposals and how to match a granters’ interests. The series begins November 8, 2022.

To register, visit ACC’s Eventbrite page or email blumentl@alpenacc.edu.

Dawn Stone is the Dean of Workforce Development and the Director of the World Center for Concrete Technology. With over 20 years experience in grant writing, she has secured nearly $8 million in funding for Alpena Community College and has a nearly 100% success rate in grant writing.
