

EVERYTHING YOU NEED TO KNOW ABOUT DRONES & PART 107

Part 107 has changed the drone landscape.

Part 107 refers to the rules that the FAA created to integrate the use of drones into the National Airspace System (NAS). This course is for anyone who flies drones commercially, including real estate photographers, videographers, farmers, media outlets, emergency services, commercial enterprises, insurance adjusters & security personnel.

3-day course

Friday, October 7, 4pm-9pm

Saturday, October 8, 8am-5pm

Sunday, October 9, 8am-5pm

World Center for Concrete Technology, Room 106

\$1000 (includes FREE Mavic Mini drone) Funding assistance available through the MILEAP Program.
