INFORMATION TECHNOLOGY CERTIFICATION TRAINING

FREE training available to qualified candidates

INFORMATION TECHNOLOGY CERTIFICATION PROGRAM

Information technology is one of the fastest-growing and highest-demand industry sectors in the U.S. Michigan Works! Northeast Consortium and Alpena Community College, in partnership with Intricate Security, with funding provided by the MiLEAP grant, is providing $1000 toward tuition. Students will be responsible for a $50 fee, which will cover the cost of lunch during the in-person training. In addition, students may be responsible for the cost of the CompTIA A+ exam, with the amount to be determined on a case-by-case basis.

Here’s how it works:

This 5-day course is intended to provide training, evaluation and skills necessary for an entry level position in information technology. After satisfactory completion of the course and exam, students will qualify to sit for the CompTIA A+ Certification Exams. Topics and domains featured in the exam include hardware, networking, troubleshooting, mobile devices, security, and more.

In-person training will be held March 14-18, 2022 during ACC’s Spring Break in the Besser Technical Center, Room 207. Students will receive virtual labs for 6 months following the training.

Course focus areas include:

- Configure, install and upgrade operating systems
- Install and image virtual machines
- Set up and troubleshoot peripheral devices
- Assemble and disassemble computing hardware
- Set up and support basic home and small office networks
- Implement cybersecurity controls appropriate to help-desk and technical support role
- Troubleshoot and support end-user access to applications and data

Applicant & course requirements:

- U.S. Citizen or an eligible non-citizen
- 18 years of age or older
- Commitment to training
- Other eligibility factors may apply
