UTILITY ARBORIST LINE CLEARANCE
SAFETY TRAINING CAMP

March 14-18, 2022
8am-5pm

Alpena Community College

Designed for the tree worker who needs to safely prune or clear vegetation in proximity to electrical equipment and structures in the course of utility line clearing operations.

Topics include overview of aerial rescue, EHAP (Electrical Hazards Awareness Program), chainsaw safety, entomology, tree identification, and first aid/CPR/trauma training.

This safety program will provide a robust refresher of safety practices for those currently in the industry.
