Health Care Live!

Starting this month our growing nurse training opportunities will be highlighted monthly via a HEALTH CARE LIVE! customized postcard. Every 30 days it will show upcoming classes, statistics about the health care industry and the expanding job market within the field. It will be target distributed to northeast Michigan healthcare agencies/providers/students.

Always Growing Pains

The ACC Oscoda Campus is quietly but steadily going through very positive growing pains. Think about signage that would label the:

- * **1st Floor: LAB LANE**
- * **2nd Floor: HEALTH CARE AVENUE... and**
- * **3rd Floor: CORE-CLASS CROSSROADS!**

*These proposed labels will guide us, students and visiting public in our efforts to customize our campus education service delivery structure.

Also think about specialty sessions like: MAXIMIZING THE USE OF YOUR COMPUTER or UNDERSTANDING TODAY'S AGRI-BUSINESS & FORESTRY CAREERS and WELDING USING PLASTICS.

Stay Tuned

Our next Business of the Month will be announced this week! A special display will appear in the Campus entry-way soon including information on their products, jobs and employee expectations.

PS. Check out the attached March 30th ACC TALKS flyer. A once in a lifetime session.
