## ACC TALKS

When you live and work in Northern Michigan it is easy to take for granted the wildlife/ponds/lakes/streams and acres of woodland that serve as a scenic backdrop as Michigan's seasonal colors change! However, we should never take for granted the people who on a daily make our National Resources & National Forests: A Common Priority.

This quarter ACC TALKS is fortunate to have Ben Weise, District Ranger for the U.S. Forest Service Huron Shores District and Scott Eggeman, Michigan Department of Natural Resources Northeast Field Operations Manager join us to discuss their special and common organizational programs and priorities. Bring your thoughts and questions and join the discussion.
