1pm-4pm | Early Indicators & Verbal Deescalation Training

Attend one session or both. Space is limited.

### Learn to:

- Develop and increase your awareness
- Remain vigilant in threats of violence
- Early warning signs of volatile situations
- Assess and diffuse escalated individuals

#### About your presenters:

**Kenneth L. Wolf, PhD,** Incident Management Team CEO, has conducted violence prevention and threat assessment trainings for a large amount of organizations and industries, including the United States Postal Service, U.A.W., municipalities, Fortune 500 Companies, and more. He assists organizations with developing comprehensive workplace violence prevention programs, trains threat assessment teams, conducts active shooter training exercises, and designs crisis recovery programs. He has been an Analyst for the Detroit affiliates of ABC, NBC, CBS, Fox, NPR. Dr. Wolf received his B.A. from Columbia College, NY and his Ph.D. in Clinical Psychology from Wayne State University.

**Marla Gartner, MAT,** is the Director of Program Operations for Incident Management Team. She has consulted with and created Workplace Violence Prevention, Threat Assessment, Active Shooter Survival and Crisis Management multimedia / video training programs for clients. As the Executive Producer / Director, Ms. Gartner has assisted writing Workplace Violence / Threat Assessment Reference Manuals, and Train-the -Trainer Programs in the areas of Workplace Violence Prevention, Crisis Management, Verbal Diffusion De-Escalation, Protection of the Lone Worker and Identification and Management of the Potentially Aggressive Client, Customer or Employee. Ms. Gartner received her Bachelor of Science Degree from the University of Detroit. She obtained her Masters of Arts in Teaching from Wayne State University. She is a Certified Peer Counselor by the International Critical Incident Stress Foundation (ICISF).

# This grant-funded training is free and appropriate for ACC students, faculty, K-12 educators, industry management and human resources professionals.
