WELCOME ALPENA COMMUNITY COLLEGE FACULTY! We are pleased to have you as a member of our part-time faculty staff.

ACC is committed to delivering high quality education to our students and we rely on our part-time teaching staff to help fulfill this commitment. You have been selected to be a part of ACC because of your skills and expertise in your field. We would like to assist you by providing this handbook of employment policies and procedures, instructional guidelines, and the ACC community in general.

If you have a question or concern that is not addressed in the handbook, please refer to the current college catalog, student handbook, or feel free to contact your department chairperson or the Vice President of Instruction.
ACC FACTS
The College first opened its doors in 1952 and is one of Michigan’s 28 community colleges. In 1967 ACC opened a branch campus in Oscoda, now known as the Oscoda Campus of Alpena Community College. The Alpena Campus serves residents of the college district, which includes Alpena County and Krakow and Presque Isle townships in southeast Presque Isle County, as well as a broader service area encompassing Presque Isle, Montmorency, Alcona, and Iosco counties. At the Oscoda Campus, the counties served are Alcona, Iosco, and Arenac.

ENROLLMENT
Approximately 1,500 credit and non-credit students are enrolled each semester.

STUDENTS
Almost half of ACC’s students attend classes part-time, while the rest are enrolled full-time with 12 or more hours during a semester. Many attend at least one evening class. Students are diverse in age, ranging from 15-76, with the average age being 21 years old. There is little diversity in race, economic, or cultural characteristics. Most students receive financial assistance.

CAMPUS
The 700-acre central campus is located in Alpena and the Oscoda Campus is located 50 miles south in Oscoda. Presently, nine buildings comprise the Alpena Campus.

CURRICULUM
ACC offers a full range of undergraduate credit courses that form the first two years of most college curricula. There are more than 50 liberal arts, transfer, career, and technical programs designed to help students further their education or enter the job market, with many courses offered online. ACC offers a Bachelor of Science degree in Electrical Systems Technology.

COSTS
Tuition and fees are presently $141 per contact hour for in-district students, $224 for in-state/out-of-state students, and $325 for baccalaureate level courses, with a $6 per contact hour Student Services fee, a $6 per contact hour Facilities Maintenance fee, a $6 per contact hour Technology fee, and a $30 registration fee per semester. Additional fees include: an online course fee of $30 per contact hour, an art course fee of $75 per course, and a late fee of $10 per contact hour.

ATHLETICS
Men and women participate in five intercollegiate sports. Men compete in basketball and cross-country, while women compete in basketball, volleyball, and softball. The campus has health and fitness facilities for aerobic and weight training.

FACULTY AND STAFF
The College has a full-time faculty and staff of approximately 100, with 70 more working part-time. Most faculty have Master’s degrees, and many have or are earning doctorates. ACC faculty have won various awards and are recognized as among the best in Michigan.
**Governance**

The Board of Trustees at ACC is composed of seven members who are residents of the college district and are elected at large to six-year terms. Every other year, two to three seats on the board become available. The Board governs the College and sets the budget. Local control is important to the continued well-being of the College and the citizens of the service district.

**University Center**

The Madeline Briggs University Center at Alpena Community College houses offices of accredited four-year institutions who are cooperating with ACC to make completion programs for selected bachelor’s and master’s degrees available in Northeast Michigan. It is a concept ACC is actively pursuing to bring staff, classes, and services from partner colleges to existing facilities at the main campus in Alpena and at the Oscoda Campus for the purpose of offering a variety of advanced degree programs in their entirety. Northwood University is currently housed in the University Center and other schools that can deliver programs to meet identified needs of undergraduate and graduate degree seeking students in Northeast Michigan are being sought.

- I-9 Employment Eligibility form with copies of identification
- W-4 Federal
- W-4 State

COMPENSATION
The compensation rate for part-time faculty is outlined below. A part-time instructor is defined as anyone who teaches a total of eight (8) or less contact hours per semester. There is no premium for class size.

<table>
<thead>
<tr>
<th>CONTACT HOUR RATE</th>
<th>SEMESTERS</th>

<tbody>
<tr>
<td>$575</td>

<tr>

</tr>
<tr>

</tr>
</tbody>
</table>

Payroll amounts are calculated by dividing the total semester compensation by eight equal payments for full semester courses. Courses that are shorter than the full semester length will have different payroll dates dependent upon the start and end dates for the course and the number of pay dates the class spans. The final payment for all courses is contingent upon the part-time faculty member having completed his/her obligation to the College including, but not necessarily limited to, the following:

- Teaching each class as scheduled
- Completing the personnel file
- Submitting student evaluations
- Turning in any items that are college property and have been issued to the faculty member, such as keys, books, audio-visual materials or equipment
- Turning in final grades no later than the designated date and time

Example:
Instructor A is teaching one course with 3.0 contact hours. This instructor is currently teaching their 10th semester at ACC.

\[
\begin{align*}
\text{Rate for 10^{th} semester} & \times 3.0 \\
\text{Total Contact Hours (Load)} & \text{Total Semester Compensation} \\

$1,725.00 & \\
\end{align*}
\]

\[
\begin{align*}
$1,725.00 \div 8 \text{ payments} & = \$215.63 \text{ per pay amount} \\
\text{(See Semester Start-Up Information Memo for payroll schedule/dates)}
\end{align*}
\]
PAYROLL SCHEDULE/DISTRIBUTION
Your individual stipend information can be accessed in Self-Service® under the Employee menu. Payroll is bi-weekly on Fridays and will begin on the first or second pay date after the drop/add deadline (determined by ACC payroll schedule). Payroll will be directly deposited to your bank account or pay card. Any payroll questions may be directed to the Business Office.

DIRECT DEPOSIT
Alpena Community College payroll is paid by Direct Deposit or Chemical Bank Payroll Card. Direct Deposit is free and available to all employees and is the recommended method of payment. Pay advices (check stub information) are available in Self-Service. If you need to change your Direct Deposit account, you will need to complete a new Direct Deposit form which is available on the college forms website at http://myalpenacc.sharepoint.com.

MILEAGE
As an adjunct faculty member, you are eligible for mileage paid at the federal mileage rate for teaching a course(s) during the Fall, Spring, or Summer semester when your commute from home of residence exceeds 15 miles one way to your teaching site (e.g., Alpena Main Campus, Oscoda Campus, or any off-campus site). This means that each mile beyond the reasonable commuting distance of 15 miles, or 30 miles round trip, will count for mileage pay. Mileage pay is considered taxable income and will be included in your regular pay check.
Implemented August 24, 2009
Updated for clarification December 8, 2009
Mileage will be paid following the end of the semester upon submission of a completed Mileage Log to the Office of Academic and Student Affairs, Van Lare Hall 109. The Mileage Log is available on the college forms website, http://myalpenacc.sharepoint.com or from the Office of Academic and Student Affairs. If you would like the form sent to your campus mailbox or ACC email, please contact Jackie Witter at 989.358.7219 or witterj@alpenacc.edu. Questions regarding eligibility for mileage should be directed to the Office of Academic and Student Affairs.

EMPLOYEE INFORMATION CHANGES
If you need to change your address, name, or phone number; update your emergency contact information; or change your marital status, you will need to submit a new Employee Information form to the Human Resources office. This form, as well as other college forms, is available on the college forms website: http://myalpenacc.sharepoint.com. The Office of Retirement Services offers beneficiary change forms and name and address change forms on their website: michigan.gov/orrs.

TERMINATION OF EMPLOYMENT
If you resign or will no longer be teaching at Alpena Community College for any reason, please contact the Human Resources office to arrange an exit interview. An exit interview is a powerful tool that allows our institution to gain an understanding of why employees leave and what they liked and did not like during their tenure. In addition, the exit interview will cover a number of items such as final payroll information, return of keys and/or college equipment, retirement options, etc. We value the ability to learn from the past experiences of departing employees and gain an opportunity to improve management/employment practices accordingly. Exit Interviews can help us pinpoint potential action opportunities that can encourage reduction in turnover rates and improve employee morale.
BENEFITS
Following is a summary of benefits afforded part-time faculty members at Alpena Community College. For more information regarding the benefits listed below, please contact the Human Resources Office.

RETIREMENT
As an employee of Alpena Community College, you will be enrolled in Michigan’s Public School Employees Retirement System, which is among the best public pensions. Alpena Community College will submit employer contributions on your behalf and will submit your employee contributions based on the plan you are enrolled in. You will receive a “welcome letter” from MPSERS shortly after receiving your first payroll from the college. In the meantime, we encourage you to take a look at the MPSERS website at michigan.gov/orps, which offers a vast array of information and tools about the retirement plan. This website explains how and what percentage of employee contributions will be deducted from your compensation, how and when you will qualify for a pension and how your pension will be calculated. It includes tips for enhancing your retirement by purchasing service credit and forms for submitting a beneficiary or address change and so on. You’ll also find the information you’ll need if you leave public school employment, as well as an overview of the plan’s disability protection, insurance, and survivor benefits.

PART-TIME FACULTY TUITION WAIVER POLICY

3. The part-time faculty member can use this benefit after employment of one (1) academic year with ACC. This tuition waiver benefit is earned in the year prior to the year it is used. The part-time faculty member cannot accumulate this no-cost tuition benefit beyond the subsequent academic year after the year earned.

Such requests will be evaluated by the Vice President of Instruction. The application for staff development funds can be found on the College’s internal website at http://myalpenacc.sharepoint.com under Staff/General. This form should be filled out in its entirety, along with a travel form, and submitted to your Department Chair for an account number and signature, then forwarded to the office of the Vice President of Instruction.

ABSENCES
CLASS CANCELLATIONS DUE TO INSTRUCTOR ABSENCE
If you are ill or if an emergency arises which will prevent you from being at your assigned class, contact the Human Resources office (989.358.7351 or 989.358.7211) as early as possible so students can be notified via SchoolMessenger®. When you report an absence, your department chairperson should also be notified.

Instructors must not secure substitute teachers for their class(es) without first receiving approval from the appropriate authority. If a substitute cannot be secured for the class, make up the class at a day and time determined by you and your students. It is imperative that lost days be made up; exceptions to this policy must be approved by the Vice President of Instruction or the Director of the Oscoda Campus.

CLASS CANCELLATIONS
If an instructor’s unavoidable absence requires cancellation of a class, the College will notify students utilizing the following methods of communication:

- SchoolMessenger – Receive a text message and/or email when you opt into the SchoolMessenger system. To sign up for the service, text OPTIN to 68453. It is necessary to verify that your phone number and email are correct in Self-Service and your Phone type must be listed as “Cell Phone” to receive text message updates via SchoolMessenger. Find more detailed information on the College website under the “Current Student” tab, SchoolMessenger.
- ACC Website – under “Current Students” tab, Closure Information.
- Notices will be posted as follows:
  - Alpena Campus
    - VLH – in the main lobby next to the student lounge
    - BTC – in the front lobby
    - CTR – in the hallway outside the student lounge
    - WCCT – in the lobby
    - NRC – on the first and second floors near the elevator
  - Oscoda Campus
    - Classroom door

It is the student’s responsibility to update their contact information in order to be notified of class cancellations. Contact information can be updated in Self-Service or by completing a Student Information Change form available in the Registrar’s office in VLH 108 or at the Oscoda Campus office.
CLASS CANCELLATIONS DUE TO INCLEMENT WEATHER
Alpena Community College’s goal is to maintain a regular schedule of classes at all possible times. If there is a need to deviate from the regular schedule due to inclement weather, the President and designated staff will make a decision prior to 5:45 a.m. whenever possible.

ANNOUNCEMENTS AND DEFINITIONS
In the instances when the College deviates from its regular schedule, one of the following options is selected:

- **Classes are cancelled:** Classes for the whole day are cancelled. College offices remain open.
- **Delayed opening:** Classes starting before the announced time are cancelled; classes start at or after the announced time meet as scheduled. Offices open at the announced time.
- **College is closed:** All classes are cancelled and all offices/services are closed.

Weather conditions are evaluated at 11:00 a.m. and 3:00 p.m. each day. In the event that daytime weather conditions lead to a shutdown decision after the College is already open, one of the following announcements is relayed to staff by the Office of Public Information via voice mail and also broadcast to local radio and television stations:

- **Classes are cancelled:** All ACC classes starting at or after an announced time are cancelled. Offices remain open until 4:30 p.m.
- **College closing early:** All ACC classes starting at or after an announced time are cancelled and the College is closed at an announced time.

FACTORS CONSIDERED WHEN EVALUATING CANCELLATION/CLOSURE
Designated staff members including the President, the Vice President of Finance and Administration and the Director of Facilities Maintenance consider the following factors when formulating a decision to cancel classes or close the College:

- Road conditions on U.S. 23 North, U.S. 23 South, M-32, and Werth Road
- Weather forecasts
- Travel advisories from law enforcement officials

CANCELLATION/CLOSURE COMMUNICATION METHODS
If the College alters its normal operating schedule, a message is sent to the local news media and is recorded on the ACC phone system. When possible, the message is included on the College’s website home page. A phone list is also utilized to directly notify certain employees. Staff and students are encouraged to call the College phone system to verify the College’s status.

DETERMINING THE ADVISABILITY OF TRAVEL WHEN THE COLLEGE IS OPEN

**Guidelines for Staff**
Staff are individually responsible for determining the advisability of travel during inclement weather conditions. Staff who elect not to report to work due to weather concerns have the opportunity to make up missed work or use personal/vacation time if available.

**Guidelines for Students**
Travel decisions are the responsibility of each student after assessing the road conditions in their respective area, the condition of their vehicle and their driving skills. The College does not encourage students to take unnecessary risks in order to attend classes. However, the College believes in training students for the workplace. If weather conditions would permit students to travel to work, students are also expected to be present for their scheduled classes.

If a student misses class because of inclement weather, the student must notify the faculty member at the earliest possible time — preferably within 24 hours.
Excused absence due to inclement weather is generally a matter between the student and the instructor. The student should consult the instructor's course syllabus for specific make-up work procedures. If there is an unresolved matter after a student has sought an excused absence from an instructor, the student has the right to appeal the matter according to the Student Complaint Procedure in the Student Handbook.

The Director of the Oscoda Campus makes the decision to cancel Oscoda classes or close offices. When a decision is made to alter normal operations, the Oscoda Campus director contacts the Dean of Students and the Director of Public Information and Marketing. Nursing students should refer to the Nursing Handbook regarding class absences due to cancellations and campus closing.

**HOLIDAYS**

Classes will not be held on the following days: Labor Day, Orientation/Advising Day, Fall Break, Thanksgiving, the Friday following Thanksgiving, Spring Break Week, and Easter Break.

**EVALUATION OF FACULTY**

Each part-time faculty member will be evaluated during their first semester of employment. This evaluation will include: 1) a classroom observation by the Department Chair, b) a written evaluation submitted to the Vice President of Instruction by the Department Chair, and c) a student evaluation administered according to institutional policy. All part-time faculty are required to administer student evaluations each semester. The Testing Coordinator will contact you via your ACC email account with instructions to complete your student evaluation.

**STUDENT/LEARNING OUTCOMES**

Alpena Community College is developing a comprehensive assessment program that includes a curriculum-embedded assessment process. This process will be used to assess achievement of general education outcomes as an institution. Curriculum-, or course-embedded, means the task is included in the course and may be an existing assignment, test, class exercise, project, lab report, etc.

**SUPERVISION AND COORDINATION OF INSTRUCTION**

The Vice President of Instruction, Department Chairs, and Program Directors supervise part-time faculty. Your Department Chair or Program Director will attend a session of your class for purposes of assistance and evaluation. A full-time instructor from your discipline may be assigned as a mentor to assist you in your orientation to ACC and to coordinate your instructional approach with that of your department. Mentors are compensated and should be consulted for information and guidance as needed.

**CLASS RECORDS**

Your course syllabus should be distributed to your students the first week of class and must be distributed by the second week. A sample can be seen in the Classroom Procedures section of this handbook. To assure continuity of course material and transferability of credit to other institutions, your syllabus must follow the master course outline. Your Department Chair can furnish you with the course outline and other syllabi as resources. Be sure to follow the provisions set forth in your course syllabus. This allows your Department Chair to support you in the event of a student complaint.

A copy of your class roster is available online at the college website through Self-Service at selfservice.alpenacc.edu. You will need to contact the Office of Information Technology to have a Self-Service account created at 989.358.7374 or helpdesk@alpenacc.edu. Instructions for accessing your class roster in Self-Service will be emailed to you.

The last day students may enroll in classes is the end of the first 5 days of the semester (for a 16-week course). During the second week of the semester, no registrations for in-session courses will be allowed with the exception of course level changes (ex. MTH 113 to MTH 102) and lateral course changes (ex. ENG 111 to another section of ENG 111) with approval of the course instructor(s). After these dates, you should review your class roster to note any discrepancies (e.g., a student attending
who is not on the class roster, or a student on the roster but not attending) and report any discrepancy to the Registrar at 989.358.7353.

A student may withdraw from a course any time through the 10th week of the semester (for a 16-week course). Late withdrawals, beyond 2/3 of the course, will only be considered under extenuating circumstance which require a written request, proof of the circumstances, and the approval of the Vice President of Instruction. Students are strongly encouraged to talk to their instructor(s) during weeks 2-10 before dropping a course. After the first 10 days of the semester (or 1/10 of the semester for accelerated courses) a grade of W (Withdrawn) is assigned for courses dropped during the withdrawal period, or if a student completely withdraws from college prior to the end of the semester, no later than the last instructional day prior to final exams. Prior to the 10th day of the semester (or 1/10 of the semester for accelerated courses), a dropped course is not reflected on the student record.

**GRADES**
A record of grades given by semester should be maintained for five years or turned in to the Assistant to the Vice President of Instruction at witterj@alpenacc.edu to be maintained for you.

**SAFETY POLICIES AND PROCEDURES**
Alpena Community College is committed to enhancing the safety and security of our campus communities. To this end, the College has adopted a series of Board of Trustees policies, designated as Series 7000 ([http://discover.alpenacc.edu/safety/policies_and_procedures.php](http://discover.alpenacc.edu/safety/policies_and_procedures.php)), designed to specifically address issues of safety and security and to comply with federal and state laws, including the following:

- The Violence Against Women Reauthorization Act of 2013, also known as Campus SaVE Act (Sexual Violence Elimination Act)
- The Drug-Free Schools and Campus Regulations of U.S. Department of Education

More information about these laws is available at alpenacc.edu under Safety, Safety Resources & Links.

ACC has a Safety Policies and Procedures Compliance Committee, appointed by the College President. The Committee meets regularly to review policies, recommend updates and amendments, and to develop procedures and programming in support of implementation of the policies. For questions, suggestions, or information, contact any committee member.
**SUPPORT SERVICES**

**TEXTBOOK AND SUPPLIES**
The ACC Bookstore is located in the Besser Technical Center. Normal operating hours are from 8:30 am to 5:00 pm, Monday through Thursday, and 8:30 am to 2:00 pm on Friday. During semester start-up and book buyback the ACC Bookstore maintains extended hours. Summer hours may vary. For more information, call the Bookstore at 989.358.7274.

The Bookstore offers new and used textbooks, supplies, ACC clothing, gift items, and software. At the Oscoda Campus, books are normally sold on the Thursday prior to the week that classes begin. Times and dates will be posted prior to each semester for bookstore sales as well as book buyback, which is normally offered at the end of each semester. Students have the opportunity to sell books back at the end of each semester. Missouri Book Services is contracted to provide buyback services. See the Bookstore for dates and times.

Faculty are responsible for ordering instructor copies of their textbooks. The Bookstore can loan the appropriate book until the instructor’s copy arrives. Forms are located online to change textbooks. Department Chairs can help with both of these procedures. Part-time faculty are allowed to charge necessary supplies to their department, provided the account has been set up. Talk to your Department Chair for details.

Part-time and full-time faculty, as well as their legal dependents, receive the same discount on personal purchases. Textbook purchases are discounted 10% and supplies/clothing/gift items (excluding food, software, and sale items) receive a 25% discount.

**COMPUTER LABS**
Computers are available for student use in The Learning Resource Center (CTR 111) and the Student Success Center (VLH 101) on the Alpena Main Campus and in rooms 206 and 211 on the Oscoda Campus.

**LIBRARY SERVICES**
The Learning Resource Center is located in CTR 111 on the Alpena Campus.

**Bibliographic Service:** Library staff will make lists of books on subjects which faculty request.

**Reserve Materials:** Faculty members can have library and/or their own materials placed on reserve. Reserve materials are kept behind the library desk for controlled use by designated classes. The instructor determines any restrictions to be placed on these materials. Reserve materials may include books, articles, video cassettes, pictures, audio cassettes, etc. Because students must sign for these reserve materials, instructors can see how frequently and by whom these materials are used.

**Extended Checkout:** Faculty may check out library materials for an extended period of 90 days. You may be requested to return items sooner, if students or other faculty request them. You will receive a notice of materials checked out in your name at the end of each semester.

**Customized Library Orientations:** Library orientations can be developed to be directly applicable to your students’ needs. Two weeks’ notice and instructor participation are necessary.

**Interlibrary Loan:** Books and periodicals can be borrowed from other libraries. Allow 3-4 weeks for delivery.

**Book Requests:** Faculty can request the purchase of books or other printed materials to be placed in the library.

**Facsimile Machine:** A FAX is available for college-related business. Sending of non-college business is available at a minimal cost.
Audio/Visual Media:
A/V services can be arranged in the Library. A 24-hour notice is preferred for orders involving media equipment distribution to classrooms. Preparation of media equipment for operation is also available. A/V material purchase requests are ordered on a first-come, first-serve basis until library funds are depleted. Contact the library at 989.358.7252, 989.358.7406, or 989.358.7249.

Smart Rooms/Carts
ACC has many smart rooms and smart carts to enhance classroom instruction. Smart rooms have a computer, VCR, DVD player, document camera, amplifier, speakers, and projector. This equipment gives the user the ability to project computer programs, transparencies, pictures, videotapes, and DVD's. Currently, smart rooms are located in the majority of classrooms in Van Lare Hall (VLH), Besser Technical Center (BTC), Newport Center Building (CTR), Electrical Power Training Center (EPTC), World Center for Concrete Technology (WCCT), and the Natural Resource Center (NRC). New classrooms are being upgraded to the technology each semester.

Smart carts have a computer, DVD player, VCR, and speakers. This equipment gives the user the ability to project computer applications and play videos in any room on campus that has a screen. There is currently one smart cart in VLH and four in CTR to cover BTC, CTR, and NRC, and one at the Oscoda campus.

Video Conferencing
ACC also has several Cisco® Video Conferencing systems. These systems provide the instructor the capability of teaching in multiple locations at the same time. It also allows for guest lecturers, delivering instruction to a remote site, and remote academic advising. Any questions concerning information technology or to arrange for usage, should be directed to the Office of Information Technology at 989.358.7374.

Blackboard Access
The online learning content management tool, Blackboard®, is available for part-time and full-time faculty to use to either support and enhance classroom instruction or deliver instruction online. Blackboard includes tools for delivering lecture notes, handouts, illustrations and photos, presentations, announcements, online assessments, collaborative communication tools, and includes an online gradebook. Currently, over 60% of ACC students use Blackboard for staying connected with their coursework or taking classes online. While use of Blackboard by faculty is not mandatory, it is encouraged as it better prepares students for transfer to four-year institutions, enhances and takes learning beyond the classroom, and prepares students for the information technology environment typically found in most careers. Blackboard is supported and managed by ACC’s Director of Learning Technology, Sarah Burt. Faculty may contact Sarah to learn more about Blackboard and the benefits it creates for students and learning at 989.358.7279 or burts@alpenacc.edu.

Student Success Center

CLASSROOM PROCEDURES

ACADEMIC FREEDOM
Academic freedom, subject to accepted standards of professional responsibility, will be guaranteed to instructors, and no special limitations will be placed upon study, investigation, presentation, and interpretation of facts and ideas. When the instructor makes a presentation outside the classroom setting and is not officially representing the College, but is identified as a college employee, he/she will indicate that he/she is speaking as a private citizen.

GRADING PROCEDURES
The student receives one grade in each course taken. This grade combines the results of class work, tests, and final examinations. Grades are indicated by letters, each of which is assigned a certain numerical value in honor points per hours of credit as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Numerical Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4.0</td>
</tr>
<tr>

<td>0.0</td>
</tr>
</tbody>
</table>

Other marks used on student records include: I (Incomplete), S/U (Satisfactory/Unsatisfactory), W (Withdrawn).

I-Incomplete: The grade of I (Incomplete is given only when a student is unable to complete a segment of the course because of circumstances beyond his/her control. The I grade must be removed by completing the required work before the deadlines set by the instructor (but in no case later than the end of the next regular semester) or a grade of E (Failure) will be recorded.

W-Withdraw: The grade W (Withdrawn) is given in a course if a student processes a drop form for the course after the drop period, or if a student officially withdraws from college prior to the end of the semester no later than the last instructional day prior to final exams.

S/U-Satisfactory/Unsatisfactory. The satisfactory/unsatisfactory option gives students an opportunity to enroll in enrichment courses without the grade being used in the computation of the grade point average. The student either receives an S (satisfactory work) or a U (unsatisfactory work). This option may not be elected for courses required for graduation.

GRADING SYSTEM REQUIREMENTS
It is the academic policy of Alpena Community College that each section of every ACC course must have a grading system that:

1. Is understandable by students—All components of the grading system must be explained in detail in each course syllabus. The instructor must orally explain the grading system to each class section as part of the course introduction. The components and procedures used to determine a grade must be described clearly enough that students can understand the system.

2. Is relevant to the course—All components of the grading system must relate to the course objectives as stated in the department’s course outline and the instructor’s syllabus.

3. Uses a variety of evaluation methods—The grading system must employ more than one method of evaluating student performance.

4. Provides feedback to students—The grading system must provide opportunities throughout the course for students to monitor their progress. The instructor must return to students at least one graded assignment by mid-semester.

5. Treats students consistently and fairly—Students with identical results on each component of the grading system must receive the same course grade.

NOTE: Your grading policy must be included in your course syllabus.
Grades are to be submitted electronically in Self-Service by the instructor of record. If you don’t know the dates specific to the semester you are teaching, please contact Sheila Rupp, Registrar, at 989.358.7353.

**Self-Service Grade Entry Instructions**

Grade rosters are available in Self-Service. Grades are due by 12:00 noon the first Monday after the course ends, and are submitted online. Any questions about this process may be directed to the Registrar, Sheila Rupp, at 989.358.7353. A grade reminder will be distributed prior to final exam week.

Recently agreed upon academic calendar dates give the Registrar’s office very little turn-around time to process submitted grades. As such, it is imperative that your grades be turned in on time. If you have any questions concerning your teaching assignment, please contact your department chairperson or the Vice-President of Instruction, Steven Fosgard, at 989.358.7458.

Sign into Self-Service and click the Faculty button on the homepage.

You will see a list of courses that you are teaching. Click the section of the course you are entering grades for.

You should now see your course details. Click the Grading tab to enter grades.

Next, click the Final Grade tab. You will then see where you can enter Last Date of Attendance and the student’s Final Grade in the corresponding columns. When you select a grade, it will automatically save.
FINAL EXAMINATIONS
The ACC calendar normally provides for a 15-week semester plus days designated as exam week which are scheduled differently from the regular class schedule, but during the summer session, the final exam is held during the scheduled time period. If instructors want to utilize a take home final exam, regular classroom instruction activities should be conducted during the scheduled two-hour final exam period.

As a part-time faculty member, you may find that the designated exam day/time is different from your normal class schedule. If it is not possible for you to proctor your final exam, contact your Department Chair (or the Director of Oscoda Campus).

EARLY WARNING SYSTEM
By the fifth (5th) week of classes, instructors will receive an email notification from the Dean of Students with instructions to submit Early Warning Referral notifications. The instructor must indicate in Self-Service any students who are failing or in danger of failing the class. The Office of Academic and Student Affairs (VLH 109) will then send notification to identified students via email; this correspondence will recommend steps they can take to improve their standing in the class and promote successful completion.

CLASS ROSTERS
Class rosters are available through Self-Service. Please call 989.358.7353 or email rupps@alpenacc.edu if you have questions concerning class rosters. For technical questions or problems, please contact Self-Service support at helpdesk@alpenacc.edu or call 989.358.7374.

ATTENDANCE
At ACC, regular class attendance is considered an essential part of the student’s educational experience. However, since some absenteeism may be unavoidable, standards are established by each instructor for his/her own class(es). Absenteeism will be a matter to be resolved between the student and the instructor. Absences may not be used as criteria for lowering a student’s grade. However, students may be rewarded for regular attendance.

CLASS CHANGES
Changes in location, meeting time, etc., require approval by the Vice President of Instruction at the Alpena Campus or the Director at the Oscoda Campus.

CLASS LENGTH
Classes should start promptly at the scheduled time and end promptly. It is critical that classes be held for the prescribed amount of time and not abbreviated.

CHILDREN IN CLASS
Minor children may not be present in classrooms, laboratories, or other instructional or work areas during class sessions or during work hours unless authorized in an organized group.

FIELD TRIPS
An instructor who wants to take his/her class on a field trip must notify the Vice President of Instruction and their Department Chair in advance. A travel request form, field trip request, and list of students participating must be submitted.

STUDENT ACADEMIC COMPLAINT PROCEDURES
Complaints About College Operation: Students with complaints about college operations should be referred to the Dean of Students, VLH 109, who will then refer the student to the appropriate supervisor. The supervisor will handle the initial informal discussion with the intent to solve the problem. Please refer to the Student Handbook for complete guidelines.
Complaints About Grading/Instruction: Student evaluation of instructors is provided for under the terms of the faculty contract. This policy is intended to allow a student the opportunity, with certain restrictions, to voice a complaint about the grading and/or instructional practices of faculty and is not provided as a form of student evaluation. Student requests to change/appeal a grade earned in a course must be made no later than the end of the next semester (including the summer session) in which the course grade was earned. Steps for the appeal process include verbal, meeting, and written. Please refer to the Student Handbook for complete guidelines.

Complaints About Inappropriate Behavior of Faculty/Staff: Students with complaints about inappropriate behavior of ACC faculty or staff members should contact the Dean of Students. For the purpose of this policy, inappropriate behavior will include behavior that is abusive or threatening and any other inappropriate behavior that is so extreme as to cause the student(s) undue fear or embarrassment. Please refer to the Student Handbook for complete guidelines on the verbal and written steps.

**DISCIPLINE**

Discipline problems are rare. Difficulties arising in this category are those unexpected occurrences for which no procedures have been established. You have the right to ask a student to leave the class if he/she becomes disruptive. You must summarize the incident in memorandum form and submit it to the Dean of Students on the main campus or the Director of the Oscoda Campus. Normally, a hearing will be conducted before the student is re-admitted to class.

**CHEATING AND PLAGIARISM**

Dishonest scholarly practices include, but are not necessarily limited to taking, using, or copying another’s work and submitting it as one’s own; intentionally falsifying information; or taking another’s ideas with the intention of passing them in class as one’s own.

The judgment regarding a dishonest scholarly practice should, in most cases, be made by the individual instructor. The basic criterion that will be used in judging the dishonest scholarly practice is the intention of the student to enhance his own position within the class by employing a dishonest or unacceptable scholarly practice. A few examples would include (but are not limited to): 1) work copied verbatim from an original author, 2) work copied practically verbatim with only a few words altered from the original without proper credit being given, 3) copying answers from another’s test paper, 4) evidence of a deliberate and calculated plan to engage in a dishonest academic practice such as gaining access to examinations prior to the time the exam was to be given or the extraction of information regarding an examination from other students, or 5) falsification of clinical records.

Consequences for proven cases of dishonest scholarly practices will be determined by the course instructor. Minimum penalties will be: 1) the first offense may result in an equivalent grade of “E” being given for the particular test, project, paper, course, etc., on which the cheating has occurred. The instructor may require the student to demonstrate mastery of the objectives for the particular test, project, paper, etc.; however, the grade will remain as “E,” 2) the second offense (two total offenses, not necessarily in one course) will result in the student being assigned a failing grade for the course in which the second offense occurred, and 3) any student involved in three total offenses (not necessarily in one course) will be immediately dismissed from the college for one full academic semester. The student has the right to appeal this disciplinary action within 10 days of the occurrence. The instructor shall report all incidents of dishonest academic practice to the Vice President of Instruction, at the same time informing the chairperson of the department in which the course is offered as soon as possible.

**WRITING A SUCCESSFUL SYLLABUS**

Each instructor is required to prepare a syllabus for each course he/she teaches each semester. The syllabus document should be prepared in advance and distributed to each student on the first day of class. An electronic copy of this document is sent to the Office of Academic and Student Affairs (send
to Jackie Witter at witterj@alpenacc.edu) and your department chairperson for review by the first day of class.

The syllabus is a contract between the instructor and the student; therefore, both are expected to abide by its content. If a student problem or complaint occurs, the course syllabus is often used to resolve the differences. Following are the guidelines for developing a course syllabus, as well as sample syllabi. Master course outlines are housed in the Vice President of Instruction Office for reference.

All syllabi are required to meet accessibility standards.

**PREPARATION GUIDELINES**

The course syllabus is an extremely important component of the instructional delivery system at Alpena Community College. A syllabus should be viewed as the “road map” for the course. More frequently than ever, a syllabus is also being interpreted as a contract between the instructor, the student, and the institution. Each student should be given a course syllabus during the first week of class. A good comprehensive course syllabus protects the rights of the instructor, as well as the student. A syllabus should contain the following information:

**SEMESTER BASED INFORMATION**

- **Course Identification:** Course number, title, current term, credit hours, section number, meeting times, days, and location.

- **Withdrawal:** A student can withdraw from a class through the 10th week of the semester (2/3 of the semester for accelerated courses). **Be sure to specify the last date for withdrawal from your course based on this 10-week requirement.** For short courses contact the Registrar’s office for the correct withdrawal date to include in your syllabus.

- **Instructor Information:** Instructor’s name, office location, office hours, phone number, and ACC email address. Part-time instructors who do not maintain office hours should include a statement explaining how a student can arrange for an appointment with the instructor.

- **Course Materials:** Course texts and materials required for the course including equipment to be furnished by the student.

**COURSE BASED INFORMATION** (Taken from the current approved course outline on file for this course and is the same for all sections of the course.)

- **Course Description and Prerequisites:** Include the course description and prerequisite(s) (if applicable) as stated in the current catalog.

- **Course Instructional Objectives:** Instructional objectives define the scope of the knowledge, attitude, and skills which students are expected to acquire for successful completion of the course. The objectives should be comprehensive and cover the major topics of the course.

- **Topics:** Include a broad description of topics.

- **Integration of Core Competencies:** Alpena Community College’s Student Outcomes Assessment Plan obligates all faculty to assist in the development of core competencies for all students. Faculty should integrate instruction in as many of the core competencies as possible into all courses they teach. Each course syllabus should address which core competencies the course supports and the relationship between the course content and identified core competencies.

This course contributes to the development of the following core competencies basic to all associate degree students:
I. How to learn effectively:
II. How to solve problems:
III. How to use mathematical concepts:
IV. How to communicate effectively:
V. How to interact with the world:

Safety Procedures: optional (lab-type courses). Include the specific safety procedures to be followed in the course.

Attendance Policy: Include the college attendance policy as stated in the catalog, “Students are expected to attend their scheduled classes according to the requirements of the instructor,” and further define instructor requirements if necessary. Attendance as a method of evaluation is an individual instructor’s decision. If the instructor chooses to use attendance as an evaluation criterion, the grading scale must contain a definitive value (points, percentage, etc.) for the attendance criteria.

Make-up and Late Paper Work Procedures: Include a statement or description on procedures for make-up work.

Grading Procedure: Include all criteria used to determine the student’s grade and the value assigned to each criterion. Multiple methods of assessment (i.e., assignments, projects, research papers, quizzes, tests, final exam etc.) are encouraged. Include the cumulative total point cut-off for each grade in the college grading system. The grading system must:
1. be understandable by students – all components of the grading system must be explained in detail in each course syllabus. The instructor must orally explain the grading system to each section as part of the course introduction. The components and procedure used to determine a grade must be described clearly enough that students can understand the system.
2. be relevant to the course – all components of the grading system must relate to the course objectives as stated in the department’s course outline and the instructor’s syllabus.
3. use a variety of evaluation methods – the grading system must employ more than one method of evaluating student performance.
4. provide feedback to students – the grading system must provide opportunities throughout the course for students to monitor their progress. The instructor must return to students at least one graded assignment by mid-semester.
5. treat students consistently and fairly – students with identical results on each component of the grading system must receive the same course grade.

Ethics Policy: Include any and all circumstances under which a student could be dismissed or failed in a class. This should include the statement from the Student Handbook on Disruptive Behavior: “Student behavior that is detrimental to an environment conducive to learning or to the maintenance of a reasonable level of order on the campus or in the classroom shall be considered disruptive conduct. Students involved in disruptive conduct will be subject to disciplinary action as outlined in the handbook and which includes suspension or dismissal,” and the statement on Cheating and Plagiarism: “Dishonest scholarly practices include, but are not necessarily limited to taking, using, or copying another’s work and submitting it as one’s own, intentionally falsifying information or taking another’s ideas with the intention of passing ideas in class as one’s own.”

Additional Resource Materials: Include a list of additional resources (i.e., a supplemental reading list) if applicable.

Student Work: Include your procedures/rules for keeping student work (i.e., exams, lab projects, research papers).
Non-scheduled Laboratory Work: (if applicable-optional) Include a statement of the amount of non-scheduled laboratory/practice time the student will be expected to complete to successfully finish the course.

Syllabus Revision/Instructor Prerogative: Include a statement about the instructor’s right to revise the course syllabus as appropriate throughout the semester.

Activity Schedule: Include a semester schedule of activities/material to be covered in the course with approximate due dates such as tests, text reading assignments, and other activities associated with the student’s grade.

Blackboard: Include instructions on how Blackboard will be used in this class to report grades, announce daily homework assignments, distribute projects and review handouts, solutions to selected homework problems, quizzes, midterms, copy of this syllabus, etc.

Class Rules: Spell out for your students your cell phone policy, class room etiquette, use of calculators, food and drink in the classroom, arriving late or leaving early, talking during lecture, etc.

CORE COMPETENCIES

INTRODUCTION

Student acquisition of core competencies is considered to be a necessary outcome for the two-year college-educated person. Contributions to this objective may come from a student’s experience in an individual class, a required curriculum, or a program. This outcome is not necessarily the product of pre-determined course work as much as it is a synergistic interaction of all aspects of the student’s educational experience with the college curriculum.

The concept of “core competencies” not only involves the cumulative effects of the college experience, but provides a shared responsibility for collective expectations of all faculty.
