## Summer Manufacturing Boot Camp

### August 10 – 14, 2015

This summer, ACC is thrilled to offer a special Manufacturing Boot Camp to high school Juniors and Seniors. Students will be immersed in advanced manufacturing and will learn to

- ❑ Produce a product from start to finish & taking it home
- ❑ Introduced to Computer Aided Design
- ❑ Welding
- ❑ Computer Aided Manufacturing
- ❑ Finishing and Inspection
- ❑ Plant tours and guest speakers

**Don't delay! Space is limited to 20 spots.**

Course inquiries may call 989.358.7293

Accepted students will receive additional informational materials prior to camp date.

This workforce product was funded by a grant awarded by the U.S. Department of Labor's Employment and training administration. The product was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor.
